If you have announcements or information you want to share with SSMJ readers send them to us to put on this Notice Board.

Advertise in the South Sudan Medical Journal

SSMJ has an international readership. If you are in South Sudan, SSMJ can help you to promote and advertise:

- Health services (e.g. clinics, pharmacies, etc.).
- Meetings, conferences, and other health-related events.
- Academic courses in training colleges and universities.

Submit your draft notice (under 300 words giving details such as location, cost, etc.) to the Editor-in-Chief at southsudanmedicaljournal@gmail.com who will decide if it can be published. At present there is no charge.

Every effort has been made to ensure that the information and the drug names and doses quoted in this Journal are correct. However readers are advised to check information and doses before making prescriptions. Unless otherwise stated the doses quoted are for adults.
